### **About the college**

Seth Phoolchand Agrawal Smriti Mahavidhyalaya is one of the oldest college of this region and run by Chitrotpala Shikshan Samiti The main aim of samiti is primarily; to cater to the educational needs of all sections of students and develop their personality to become a responsible citizen. This college was established near the historical city Rajim at Nawapara which is famous for "confluence" of three rivers (Mahanadi, Paire, and Sondour River) in 1994 by generous alms of Shri Sawar Agrawal Ji and Smt. Kusum Agrawal ji, Shri Manmohan Agrawal Ji., and selfless donation by the citizens of Nawapara..

### **Objective of Webinar**

Mathematics is the basis of all invention in the universe. Life of accountancy, life of research everywhere it plays a key role. It is the backbone of Computer Science. This pandemic situation has turned every equation in different way, so it has also turned the field of mathematics and computer science education. In this webinar we explore a new ambit together in the fields of mathematics and computer science. It provides requisite knowledge beneficial for both teachers and students.
